

Garfunkel Wild Webinar Series for the Members of the Collier County Medical Society

With nearly 90 attorneys and offices in New York, Florida, New Jersey, Connecticut, and Washington, DC, Garfunkel Wild is one of the preeminent firms specializing in health care law. Garfunkel Wild was founded over 40 years ago with a single purpose in mind - to attend to the unique business and legal needs of our clients in the health care industry. Garfunkel Wild is general and special counsel to hundreds of small and large physician groups, hospitals and health care systems, faculty practice plans, nursing homes, and other health care providers. Our attorneys, who include physicians, nurses, former prosecutors, regulators, and others, have the experience to provide advice on a wide range of issues in an insightful, pragmatic and cost-effective manner.

Garfunkel Wild is pleased to offer members of the Collier County Medical Society a webinar series on important and timely issues. The first webinar is:
